**To,
The Head/Director,
All School of Studies/Institutions
Devi Ahilya Vishwavidyalaya, Indore**

**SUB: Call for Proposals under TEACHERS ASSOCIATESHIP FOR RESEARCH
EXCELLENCE (TARE) scheme**

Dear Sir/Madam,

Science and Engineering Research Board (Statutory Body Established Through an Act of Parliament: SERB Act 2008) Department of Science and Technology, Government of India introducing a new scheme **TEACHER ASSOCIATESHIP FOR RESEARCH EXCELLENCE (TARE)** to tap the latent potential of many researchers working in state universities, colleges and in private academic institutions who are well trained, and capable but they find it difficult to pursue their research for varied reasons including lack of funding, motivation, guidance among others. This scheme aims to facilitate mobility of faculty members working in a regular capacity in State Universities / Colleges and in private Academic Institutions to carryout research work in an established public funded central institution.

Research fellowship of Rs. 60,000/- per year will be provided subject to completion of mandatory 90 days work per year in the host institution. Research grant of Rs. 5 lakhs per annum (50% each to host and parent institution) and overheads (as per SERB norms) will be provided as part of the support. The Scheme will provide a window for many young academicians to restore their research to the next higher level. You are requested to share this information with your colleagues and other peers.

Call for Proposals under this scheme is now open. Eligible Researchers can submit the proposals till March 15, 2018. To know more about the scheme, kindly visit <http://serbonline.in/SERB/Tare>

**In-charge,
(Development Sec.)**
