Interior Designing Six Semester Syllabus

इंटीरियर डिजाइनिंग छः सेमेस्टर पाठ्यक्रम योजना

Session/सत्र 2019 – 2020

Class / कक्षा	: B.Voc 3 rd semester
Subject / विषय	: Interior Design
Title of Paper	: Services I
Paper No. / प्रश्न पत्र क्रमांक	: 1 st
Compulsory / अनिवार्य	: Compulsory/ अनिवार्य
Max. Marks / अधिकतम अंक	: 80 + 20 (Theory + Internal)
Subject Code / विषय क्रमांक	: BVI 301

Particulars / विवरण

Unit I

- To study and understand about basic services required for a comfortable living.
 - Electrical.
 - Plumbing.
 - Labour work.
 - AC Layouts.

Unit II

- Study of ventilation and light- natural and artificial.
 - Lighting in buildings, lights and its sources, lighting criteria, the visual field, day lighting, prediction method.
 - Artificial lighting levels for various activities, calculation for lighting levels.

31.8.2021
 Brahma H
 31.8.21
 31.08.2021
 31.08.2021

Unit III

- Study of electrical layouts science of wire distribution, control panels, switches, types of wiring, wiring for heating/cooling and ducting system.
 - switches as products available in market, light as product available in market- tube lights, beam lights, wall lights, night lights.

Unit IV

- Study of water supply.
 - Requirements of water supply to various building sources of water, methods of conveyance of water and water line products materials.
 - Water purification availability in market.

Unit V

- Project drawings for residence, flats, commercial and institutional buildings.
 - Electrical layout of residence.
 - Water supply layout of residence.

Particulars / विवरण

Course Objective:

An internship experience provides the student with an opportunity to explore career interests while applying knowledge and skills learned in the classroom in a work setting. The experience also helps students gain a clearer sense of what they still need to learn and provides an opportunity to build professional networks.

Learning Goals:

The internship will provide students with the opportunity to:

- Gain practical experience within the business environment.
- Acquire knowledge of the industry in which the internship is done.
- Apply knowledge and skills learned in the classroom in a work setting.
- Develop a greater understanding about career options while more clearly defining personal career goals.
- Experience the activities and functions of business professionals.
- Develop and refine oral and written communication skills.
- Identify areas for future knowledge and skill development.

Activity:

- The Students have to submit Internship Experience Report provides an opportunity for you to reflect on your entire internship experience. This report should summarize what you
